Overview

Founded in 1975, M S International, Inc. is the leading distributor of natural stone in North America. Headquartered in Orange, California, MSI also maintains state-of-the-art distribution centers in New Jersey, Georgia, Texas, Illinois, Arizona and Massachusetts. Our product line includes granite, slate, marble, travertine, sandstone, limestone, quartzite, adoquin, glass, porcelain and other natural stone products imported from 35 countries in six continents. M S International also maintains overseas purchasing offices in India, Turkey, Brazil and China.

MSI's mission statement is clear: provide our customers with the highest quality and broadest selection of natural stone products. With the largest inventory of natural stone in the country (over 30 million square feet of natural stone in seven distribution centers), MSI's scale and efficiency enables it to provide competitive pricing with the quickest delivery times.

MSI's product line covers the entire spectrum of natural stone for virtually every application including:

Flooring	Countertops	Fireplaces
Landscaping	Siding	Monuments
Bathrooms	Tabletops	Wall Tile
Tub Surround	Vanity Tops	

Our nationwide sales force encompasses all major channels of distribution including:

Hard Flooring Dealers	Fabricators	Builders
Mass Merchants	Soft Flooring Dealers	Hospitality
Landscaping Dealers	Monument Dealers	Commercial Projects
Architects	Designers	

MSI's top priority is providing the highest level of customer service in the industry. MSI strongly believes that it is in the information business of natural stone. MSI's sales force seeks to provide you with all of the tools and information required to sell natural stone. In addition, MSI's state-of-the-art information systems provide you with the most accurate

real time information on inventory availability and pricing. MSI's ongoing product knowledge seminars help in training your sales force. MSI has the ability to offer you advanced natural stone display systems to aid in marketing. Finally, MSI's website has a wealth of product information including sizes, availability, and pictures.

Buyer/Owner must determine slip resistance suitability and maintainability for any of the material use. Natural Stones are products of nature; we cannot be held liable in any cause of action resulting from their use in any form. M S International, Inc. makes no expressed or implied warranty of merchandisability or fitness for any particular purpose. Natural stone products inherently lack uniformity and are subject to variation in aesthetics, color, shade, finish, tint, hardness, strength, slip resistance, density etc. Any samples submitted are with the understanding that these qualities are inherent in the nature of the product and are not to be considered latent defects. MSI recommends the use of a sealer for all applications.

Buyer/Viewer must determine slip resistance suitability and maintainability for any of the material use. Natural Stones are products of nature; we cannot be held liable in any cause of action resulting from their use in any form. MSI International, Inc. makes no expressed or implied warranty of merchantability or fitness for any particular purpose. Natural stone

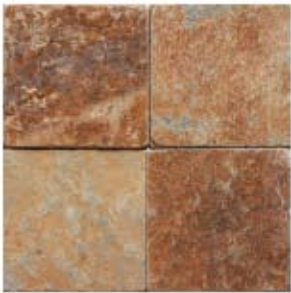

products inherently lack uniformity and are subject to variation in aesthetics, color, shade, finish, fit, hardness, strength, slip resistance, density etc. Any samples submitted are with the understanding that these qualities are inherent in the nature of the product and are not to be considered latent defects. MSI recommends the use of a sealer for all applications.
